SOFTWARE DEVELOPMENT & MAINTENANCE AGREEMENT

This agreement is made between **Ravi Patil (Developer)** and **Tarachand Parmar (Client)**, in connection with the **TFC365.com** — Tara Fitness Club website & management platform.

1. Scope of Work (Setup)

The Developer agrees to design, develop, configure, and launch the "TFC365.com" gym website & management platform for the Client. This includes building the frontend and backend, setting up the server and database, integrating cloud (AWS) hosting, configuring the domain name, and ensuring the platform is live and fully functional for members and staff to use.

2. Setup Pricing & Payment Terms

The total one-time fee for the setup of the platform is **Rs. 10,000**, which is a special package rate for this project and includes the building cost, backend, database, server, cloud (AWS), domain, hosting setup, and all changes/revisions made during the development phase.

- **Advance Payment:** Rs. 5,000 (50%) is due immediately upon signing this agreement, before development begins.
- **Final Payment:** Rs. 5,000 (50%) is due on the day the website goes live and admin access is handed over to the Client.

3. Maintenance (Every 2 Months)

To keep the website live on the internet, secure, and fast, the Client agrees to pay a fixed Maintenance Fee of **Rs. 2,000 every month**

- This fee covers server & AWS costs, database maintenance, domain-related support, security monitoring, and technical support.
- This payment must be made at the start of the month, **between the 1st and the 5th**, once every 2 months, starting one month after the website goes live.
- **Failure to Pay:** If the maintenance fee is not paid within a 5-day grace period, the Developer reserves the right to temporarily suspend the web servers, resulting in website downtime, until the outstanding amount is cleared.

4. Additional Feature Requests

This agreement covers the setup of the platform described in Section 1 and its ongoing maintenance. If the Client requests new software features, major design changes, or custom functionality beyond the original scope in the future, it will be discussed and billed as a separate project.

5. Ownership

The Client will retain full ownership of all their gym/store data, member details, and the registered domain name (TFC365.com). Handover of administrative accounts will occur immediately after the Final Setup Payment is cleared.

6. General Terms

- Prices for third-party services (hosting, domain, cloud/AWS, etc.) will vary as per prevailing market prices, and any such change will be communicated to the Client in advance.
- The Maintenance Fee is to be given at the start of the month, between the 1st and 5th, as per Section 3.
- This agreement is governed by mutual understanding between the Developer and the Client and may be revised only with written/mutual consent of both parties.
